

## get the facts

# TRIPLE BOND REPAIR treatment

### overview

Instantly treat, repair, and strengthen damaged bonds in the hair. Eufora Pro-Bond Complex reconnects broken disulfide bonds, replaces hydrogen bonds and reinforces salt bonds for restored structure, elasticity, texture, and shape.

**For all hair types**, whether natural, color treated, chemically treated, keratin treated, or relaxed.

**About bonds:** there are three primary bonds that make up the structure of the hair.

**Disulfide Bonds** are essential to the strength and resiliency of hair. They can be broken and damaged by hot tool styling, bleach and chemical services.

**Hydrogen Bonds** are very fragile and can easily break with excessive heat and humidity, leading to frizziness and split ends.

**Salt Bonds** are slightly stronger than Hydrogen Bonds, but can break when hair is wet, or exposed to a change in pH.

### what it does

**Reconnects** broken protein disulfide bonds to restore strength and add elasticity.

**Replaces** missing hydrogen bonds to restore texture and protect hair from the elements.

**Reinforces** salt bonds to reconnect positive and negative amino acids in the hair strand for luster and strength.

**Restores** structure, elasticity, texture, and shape of any hair type!

### application

Cleanse with gentle detox shampoo (Urgent Repair Shampoo).

Work treatment completely through mid and end lengths of hair. Leave on for 5 minutes *minimum*. Thoroughly rinse with warm water. Condition hair after treatment if desired.

### key ingredients

This weightless, luxurious in-shower restorative treatment utilizes plant based technology to instantly repair and strengthen damaged bonds in the hair.

**Pro-Bond Complex** a blend including Pea, Quinoa and Vegetable Polypeptide Proteins. This synergistic blend of amino acids quickly penetrates into the hair for strength and moisture.

**Arginine** to improve hair strength and shine.

**Apple Fruit Extract** for improved moisture.

**Glycine** protects the hair follicles against oxidative stress.

Camellia Senensis Leaf Extract (**Tea Leaf Extract**) a powerful UV inhibitor and promoter of scalp health.

**Lemon, Lime, Orange** and **Peppermint** Oils to improve hair strength, shine and texture. Also stimulates circulation and soothe scalp irritation.

USDA Certified **Organic Aloe Vera** delivers a high concentration of amino acids, polysaccharides, and vitamins.

### size

**5 fl oz** 148 ml / **16 fl oz** 473 ml

**NO** parabens, harsh sulfates, mineral oils, petrolatum.

**Animal cruelty free** and **vegan friendly**.
